- “Sufficient numbers of prescribed books/study materials are available in the library” was rated 30.8% Excellent and 69.2% Good (Score 3.31).

All alumni are proud of their time at this college, and feel a sense of accomplishment. They are grateful for the excellent education the college provides in a rural location. They appreciated the dedicated, friendly and cooperative attitude of the college staff. They expressed their appreciation for the efforts and hard work of the Academy. They acknowledge the vital role the college has played in shaping their professional, moral and personal lives. They admit that their association with the college not only made them a degree, but helped them become people, and that the college helped them instil human values and enrich every aspect of their lives. They proudly acknowledge that the college has developed their confidence from university courses and from teachers' encouragement of students to participate in these courses.

The college has had a significant impact on their development as communicators, leaders, social beings and responsible people. They admit that the college provided those wings so that they can achieve their goals. They credit the college for their current successes. They give credit to the college for their present position in life.

Best experience and remarkable memory:

They found the best education and have great memories of their time there. They miss the College days, activities, sporting events. The students appreciate the warmth of their teacher-student relationships.

Suggestions:

The following suggestions can be derived from the analysis of the alumni feedback

- Increasing alumni participation in college events
- Improvement of the canteen
- RO WATER for drinking
- More books on newer topics in Library
