

Kaliachak College

Analysis Report of Employers' Feedback

Session: 2021-22

The feedback from employers is an important measure for the college to understand the requirements of the industry/institutions where students have got their first employment, so as to assess the outcome of the entire teaching-learning process. This enables the college to evaluate the outcome and develop strategies towards better learning-based outcomes and all-round holistic development such that students are gainfully employed after leaving the Institution.

The overall average score of employers' feedback of Kaliachak College is 3.5. The upcoming paragraphs highlights the question-oriented scores with analysis.
