Feedback and Action Taken Report 2021-22

Action Taken on the Students' Feedback

- Kaliachak College students objected to the issue of incomplete syllabus completion along with late and incomplete supply of the annual teaching plan. The IQAC resolved to get the annual teaching plan ready by 30th June every year; and the Principal, Kaliachak College is requested to intimate the resolution among the teaching faculties. The students also opted for a more job-oriented curriculum. The cell decided to forward the students feedback to the Vice Chancellor, UGB for necessary action.

Action Taken on Teachers' Feedback Report:

- Teaching community demands more effectiveness of the syllabus in terms of experiential and or practical based creativity and job opportunities curriculum. They opined that there should be a more extensive curriculum for the UG students to encourage them for further studies. IQAC resolved to request the principal to forward the issue to the UGB, for further action.

Action Taken on Alumni Feedback Report:

- The alumni feedback for a more job-oriented skill-based curriculum. The IQAC resolved to forward the issue to the concerned authority for necessary action. The feedback for more text and reference books in the college library was taken into consideration and the IQAC resolved to increase the number of books in the central library.

Action Taken on Employers' Feedback Report:

- The employers' feedback remains almost unchanged. Among the feedback, the IQAC found the recommendation for a more Skill based, job- oriented curriculum that promotes more innovative thinking among the students. IQAC resolved to forward the issue to the University authority for necessary action.
- In this connection IQAC organized the seminar on moral values and ethics in social life in 2021-22 session and resolved to lay more emphasis on promoting ethical values among the students through different programmes indigenously.
